

**RANGELEY VETERANS MEMORIAL COMMITTEE
MEETING MINUTES
THURSDAY JANUARY 19, 2023
5:00 p.m.**

ABSENT: Ethan Shaffer

Staff: Marti Belt, Secretary, Town Clerk;

1. **Open Meeting** 5:40 p.m.
2. **Adjustments to the Agenda** - none
3. **Review of Minutes**
 - November 02, 2022 – Regular Meeting
 - Al Clinch motion to approve minutes as written
 - Monika Liedl second

Vote: 4-0
4. **Correspondence**
 - Education and Career Resources for Veterans email
 - Will forward to committee, but the Town will not put on town website
7. **Continuing Business**
 - Continuing discussion from Parks Commission meeting and Wright Pierce
 - 1st rendering from Wright Pierce has been rejected. Full size wall to the right of the existing monument is overwhelming. Additionally, full size wall will potentially take 250 years to fill, based on existing monument.
 - 2nd rendering from Wright Pierce requests: 5 foot by 4 foot by 3 foot angled “tablet” like stones to either side of existing monument to keep balance. Committee would like to see measurements on rendering for space between existing monument and all 4 boundary lines. Member Madrid will attempt to get drone aerial footage of monument for next meeting, weather permitting.
 - General consensus is that smaller headstone like panels to either side of existing monument is favorable to engraving and pathway to the rear of the existing monument, but a rendering of such is also being requested.
 - Pavers discussion needs to be continued, with ideas on placement from the committee before those can be added to rendering.
 - Need list of potential additions to monument to Secretary by January 30th for next meeting’s agenda
8. **New Business** - none
9. **Next Meeting** – Wednesday, February 01, 2023 at 4:00 p.m.
10. **Adjourn Meeting**
 - Al Clinch motioned to adjourn at 6:40 p.m.
 - Colin Madrid second

Vote 3-0 (Monika Liedl left meeting after monument rendering discussion)
