Dear Rangeley Residents:

As we reflect on 2019 I think it's important to note some of our accomplishments here in Rangeley and Oquossoc. We should be very proud of the Stephen A. Bean Municipal Airport and what this new structure brings to the region, both economically and certainly personally for me. Being a pilot and general aviator, this new airport extension project makes accessibility to Rangeley and Oquossoc that much easier for those who can travel by air.

Road Projects, like we have embarked on, are coming along nicely. We have received a Northern Borders grant, as well as a Municipal Partners Initiative Grant from MDOT, totaling one million dollars for Loon Lake Road. We anticipate that project to be started this fall or in 2021. We are completing much needed repairs to Allen Street, and it goes without saying, that we are very proud of our Highway department for all their work on other aspects of our roadways and byways. In Oquossoc, you will now find a new fish screen, a project that was headed up by our Public Works Department. We now have a safe walkway for people to observe the fish, and young anglers to test their skills. This is an area in Oquossoc that needed some attention and is now completed.

There have been some changes in our Town Office, with some new bright and shiny smiles and faces. But I would be remised not to thank those who filled those positions prior and thank them for all their hard work.

Rangeley is extremely fortunate to have some very dedicated departments heads and staff. Their hard work and dedication to Rangeley and Oquossoc is visible everywhere you look, and for that I thank all of them.

I would like to thank my Board, for their caring supervision of the town that we all love. Their dedication and hard work are a testament to their families and spouses, for without their support, our job would be that much more difficult. In conclusion, as we move in to the "new normal", all the Board of Selectmen hope that you are safe, healthy, and happy and enjoying all that the Rangeley Lakes Region has to offer.

Sincerely
Stephen C Philbrick

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the "Military Widow's Tax," an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people's health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine's Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation's premiere biomedical research institution, including significant boosts for Alzheimer's disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation's crumbling infrastructure and ensure that Maine's housing needs are addressed. For Maine's roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee's Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS' Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Dear friends,

The beginning of a new year provides the opportunity to reflect on the progress of the past 12 months. If you've been watching cable TV, you might think that every waking moment of 2019 in Washington has been consumed by divisive, partisan issues – and while there's no shortage of those debates, there have also been opportunities for bipartisan cooperation. You sent me to the Senate to make the most of those opportunities, so as we enter into the New Year, I wanted to take a moment to update you on my efforts to work with members of both parties to make life better for the people of Maine.

One of my most important priorities this past year has been emphasizing preventive healthcare. Maine's distinction as the oldest state in the nation brings us wisdom, of course – but it also creates unique challenges, particularly relating to healthcare. The key to addressing these obstacles is being proactive, because the cheapest, safest medical procedure is the one that doesn't need to happen. That's why I've introduced legislation to incentivize healthier living, expand mental health screenings, and help more Americans access regular check-ups. We're making progress, but we've got a long way to go – and I'd like your help, because I know that the best ideas are the ones that come from families and communities on the front lines of these challenges. To strengthen this effort, I convened a policy forum on prevention in Bangor in October, which has already given me exciting new ideas that I'll carry with me into 2020. If you have additional thoughts on encouraging preventive healthcare, please share them with my office.

This year has also continued the growth of Maine's forest products industry – a key focus of my work to revitalize Maine's rural economy and communities. We've seen significant investment in mills across the state, creating good jobs to support rural Maine. I'm also pleased that the investments aren't just in our mills – the industry is thriving because of its commitment to innovation. We're fortunate to have the University of Maine's top-notch researchers exploring cutting-edge ways to use our forest resources, including capitalizing on the rise of 3D printing technology with the world's largest 3D printer. Combining this work with ongoing federal support, our vast forests, and Maine's dedicated workforce, I know that the future of this industry is bright, and I'll continue working to support it on all fronts.

I'm proud of all we've accomplished together this year, but even as I reflect on all that we've achieved, it is challenging to not think of the work left undone. It sometimes can be discouraging to watch these important priorities hang in limbo, but fortunately for me, encouragement is never far. After all, I get to live in Maine – which means I get to count Maine people as my neighbors and friends. I'm always struck by the kindness that our citizens show not only to me, but also to each other. This focus on collaboration and compassion is an inspiration, and it powers my efforts bring a little bit of Maine common sense to Washington. Thank you for all you do to for our state – Mary and I are deeply grateful, and we hope that 2020 will be a good year for you, your family, your community, and the State of Maine.

Best Regards,

Angus S. King, Jr.

Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you well. It is an immense honor to serve as your representative in Congress. I take very seriously the responsibility that has been placed on me, and I would like to take this opportunity to share with you some of what I've been working on in my first year in Congress.

At the beginning of this term, the House passed H.R. 1, a comprehensive package of reforms I cosponsored to get big money out of politics and fight corruption in Washington. And in December, I helped pass H.R. 3, the *Lower Drug Costs Now Act*, which would limit out-of-pocket prescription drug costs paid by seniors, fund the expansion of Medicare coverage to include dental, vision, and hearing, and lower prescription drug prices for thousands of Mainers. Additionally, as a member of the House Armed Services Committee, I worked to ensure our annual defense authorization bill supports America's national security and Maine's shipyard workers, National Guardsmen, manufacturers, and universities.

On top of working on this legislation, I have also been advocating for our district directly to administrative agencies. I have been fighting for Maine lobstermen to urge the president to intervene in proposed regulations by the National Oceanic and Atmospheric Administration (NOAA) that would hurt our lobster industry. I pressed government agencies to ground their regulations in sound science and data when crafting new regulations on Maine's lobstermen. I also persuaded the Army Corps of Engineers to hold a public hearing in Maine about the proposed Central Maine Power NECEC transmission line, which gave hundreds of people the opportunity to voice their opinions about the project.

Some of the most important work of members of Congress is rooted in on-the-ground constituent services. We have three offices in the district -- in Caribou, Bangor, and Lewiston -- and my staff work tirelessly to help Mainers solve problems they may face with federal government agencies. I urge you to stop by to talk to us in person and let us know how we can better serve you and your communities.

My favorite part of the job is coming home to the district and hearing about what matters to you. This year, I brought a hearing of the House Small Business Subcommittee on Contracting and Infrastructure to Maine to find ways to expand access to rural broadband. I've also held open town halls and coffee hours throughout the district to hear directly from Mainers veterans, as well as roundtables to find more ways to help small businesses in Maine grow and create jobs.

As always, please continue to reach out to me and my staff if you'd like to voice an opinion, let us know about a local event, or seek any assistance with federal agencies.

Respectfully,

Jared Golden

Dear Friends:

When I took the oath of office to become Maine's 75th governor, I never imagined that we would face a global pandemic. But that is our current reality, and it is my solemn responsibility to guide our state through this unprecedented time to keep Maine people safe and healthy.

COVID-19 is wreaking havoc on our national economy, dealing heavy losses to businesses of all sizes, while millions of people find themselves newly unemployed. Here in Maine it has taken the lives of over 90 people and sickened many more. While we all dream of going back to the way things were, the fact is that our lives will not return to normal soon. Instead, we have to invent a new normal - a different way of doing business, shopping, traveling, and enjoying the Maine outdoors - one that keeps us all safe.

My Administration, in collaboration with public health experts and business leaders across the state, developed a plan to gradually and safely restart Maine's economy, and we recently released a Rural Reopening Plan for those counties where no community transmission is present. My Administration has also formed an Economic Recovery Committee charged with assessing the economic impacts of the pandemic on Maine's economy and providing recommendations for policy changes to deal with these impacts. Together, drawing on the hard work and resilience of Maine people, we will rebuild and strengthen our economy and rise from this unprecedented challenge a stronger state than ever.

I continue to be amazed by the strength and courage of the Maine people and businesses who have found different ways to do business and the brave first responders in your town and in our health care facilities. Thank you to the people of Maine who have demonstrated patience, kindness, and compassion during this difficult time.

Please take care,

Janet T. Mills
Governor

JANET T. MILLS—STATE OF MAINE GOVERNOR

Senator Russell Black
3 State House Station
Augusta, ME 04333-0003
(207) 287-1505

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the privilege of serving you in the Maine Senate. I am honored that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

Maine is in the midst of one of the greatest periods of prosperity in its history and has led the nation in a number of economic categories over the last several years. Unemployment is at record low levels, wages are up, and state government has had seven straight years of surpluses. The number of children living in poverty is in a steep decline, and Maine now leads the nation in equality for women in the workplace and politics.

Though we have accomplished a great deal in the past year, there is still much more to be done. Maintaining the prosperity that you have built over the last several years tops the list. We can do this by holding the line on government spending, doing our best to stay out of the way of local businesses so that they can thrive as a result of their own hard work, and making sure that government is the most fiscally responsible steward of your tax dollars. These will be a few of my priorities this coming year.

My work on the Agriculture, Conservation, & Forestry committee has allowed me to sponsor and co-sponsor forestry and industry bills to help improve Maine. We have also been able to provide property tax relief by allocating \$75 million in the budget to this cause, increasing the Homestead Exemption by \$5,000, and expanding the eligibility for the Property Tax Fairness Credit to include an additional 13,000 Mainers. We were able to pass a budget that raises the state's share of education funding to nearly 51 percent, which includes \$115 million in new state support for local education.

Again, thank you for electing me to serve you in the State Senate. The 129th Legislature certainly has a great deal more work to do; but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at 287-1505 or Russell.Black@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

January 2020

Dear Friends & Neighbors:

The holiday season has concluded and another year has passed. I hope this letter finds you both well and optimistic about the future of our great state and nation. As one of Rangeley's legislators, my gratefulness for the opportunity to work on the many pressing issues that require resolve in Augusta is ongoing. Should you wish to discuss any subject matter under scrutiny at the State House, or if you experience an impasse with respect to any State agency, I hope you will not hesitate to contact me.

The Second Regular Session of the 129th Legislature began on Wednesday, January 8. Along with the 260 carryover bills and papers from the First Regular Session, there are more than 400 new pieces of legislation to be deliberated over the coming months. My colleagues and I will need to be efficient and sensible in order to complete our obligations by the statutory adjournment date of April 15.

Also in April, I am happy to report that Maine's homestead property tax exemption will increase by \$5,000, allowing residents to reduce up to \$25,000 from the value of their home for property tax purposes without adverse impact on local municipalities. In the event you have not already applied for the exemption, the application process is quick and easy. Associated paperwork, as well as other related details, can be found online at <https://www.maine.gov/revenue/forms/property/apps/homesteadapp.pdf>.

Thank you for the ongoing privilege of serving the good people of Rangeley at the State House. If you have an interest in receiving my regular e-newsletter, please send me your e-mail address.

COMMUNITY SUBMISSIONS

OUR FINANCIAL PICTURE:

Our mission-related income is earned through ticket and concession sales, fund raising events and tuitions from camps. We also depend on the generosity of our community as well as regional and national foundations.

A GLIMPSE INTO THE FUTURE

Ownership of the theater expands our programming. It provides an improved venue for events —not only a more comfortable audience experience but also a more professional performer experience for both our amateur productions and visiting professional artists. With our own venue, we have increased the number, quality and scope of events we bring to the community. Achieving our goals in the renovation of the theater is the key to the future of the RFA.

CASA, THE RFA'S FREE AFTER SCHOOL PROGRAM

Rangeley Friends of the Arts is proud to offer the Creative After School Arts Program: CASA. CASA is for students grades 5-12 interested in the performance arts and skill building activities, or who just want a wonderful place to hang out with friends. CASA is the community's much needed after school program where students can be someplace special: secure and supported; engaged in their interests, be it designing a project, helping with homework or cozing up in a corner. At CASA, latch key kids, artistic kids, ambitious kids, quiet kids, your kids, will find a relaxed healthy home-away-from-home where they can thrive.

The RFA Creative After School Arts Program is staffed by qualified em-

ployees trusted to manage the daily operation. CASA also provides weekly group beginner and advanced musical band instrument lessons taught by Mike Schrader. We are so lucky to have this very experienced band teacher participate in our program. CASA's volunteers provide workshops in theater performance and operations, music and performance, instruments, graphic art, fine arts and design, digital media, creative writing and com-

munity service. There is a public arts project and a student-directed project each school year. At CASA the boisterous extrovert and the shy introvert will feel at home in our diverse and accepting environment.

According to the Maine Office of Tourism, 45.3 million visitors came to Maine during 2018. These visitors support the local businesses in the locations they visit and some become second homeowners, positively impacting the local tax base. It is hard to think of a business in Rangeley that is not dependent on visitors and/or second homeowners (estimated at over 65% of tax base). It is critical to the local economy that we keep Rangeley in front of these visitors year-round in order to compete with other Maine and New England destinations:

Primary Regional Destination of Overnight Visitors (Maine Office of Tourism data)			
Maine Beaches	24%	Mid-Coast	10%
Downeast & Acadia	18%	Greater Portland/Casco Bay	9%
Maine Highlands	16%	Kennebec Valley	6%
Maine Lakes & Mountains*	11%	Aroostook County	4%

* Rangeley is part of the "Maine Lakes & Mountains" Region

We achieve this by reaching these potential visitors utilizing various advertising media:

100% of the Funds Requested Are Used Exclusively for Marketing Rangeley as a Destination

Once visitors come to Rangeley, it is essential to provide them with the information and resources they need to explore our region. The Chamber is the central information center for visitors and provides extensive in-person, online and print resources.

The Chamber also publishes a weekly e-newsletter that highlights all events, activities and public information notices. This e-newsletter is sent weekly to over 2,500 visitors, potential visitors and second homeowners.

2019 Chamber Statistics

	2019	2018	
Visitors to Office	8,269	6,030	37.13%
Website Pageviews	363,325	331,886	9.47%
Facebook Likes	16,372	15,905	2.94%
Snowmobiles Registered	683	733	-6.82%

We appreciate your continued support, which enables us to continue to attract visitors and second homeowners and provide them with the best service possible once they are here. The average cost per taxpayer is about \$8 - a very small price to pay to support our businesses & homeowners and maintain a thriving economy.

Steady growth following a downturn caused by negative events over the past 12 years.

Mission Statement of the Rangeley Lakes Chamber of Commerce
To market the Rangeley region and promote tourism, economic development and home ownership to support and grow the local economy.

RANGELEY PUBLIC LIBRARY

Encouraging the community to enter, read, look, listen, & learn.

Reopening June 2nd

New Special Hours

Tues-Fri 10:30-4, Sat 10:30-1:30

Considering the economic difficulties facing many in our community, we have decreased our funding request by 25% from last year. We appreciate your support.

Thousands of items may be borrowed locally for free including books, DVDs, audio books, magazines, puzzles, and more. While we usually have millions of items available to us from other libraries, this service will not be available during the Pandemic.

RV1 (Page 11 of Warrant) - When budgeting, it is important to consider what amounts should be used to lower taxes. It is suggested that actual revenues received in the preceding full year are used to base the budgeted revenue and usage of fund balance on (meaning for FY20, actual numbers from FY18 would be used). This recommendation is based on the fact that prior to the close of the current fiscal year, the total amounts of revenues received and the amounts slated to carry forward are not available, nor have those numbers been audited at the time the new budget is being determined.

ORD1 (Page 11 of Warrant) - Ordinance amending the official zoning map of the Town of Rangeley, Maine, and Chapter 38 Zoning, Article 38.4 Zoning District and Overlay Zones, and Article 38.9 Definitions, of the Town Code of the Town of Rangeley, Maine. (Explanation: These changes attempt to remedy a hardship created by the construction of Route 17 which split lots that spanned the road into two separate lots, by creating an overlay district where lots on the inland side of the road would be allowed to have single accessory structure without a principal dwelling.)
